

MAGDEBURG LECTURES ON OPTIMIZATION AND CONTROL

Zlatko Drmac

Magdeburg Lectures on Optimization and Control

Prof. Dr. Zlatko Drmač
University of Zagreb

Accurate linear algebra in computational methods for system and control theory

Di, 05.07.2016 17:00-18:00 Lukasklausur, Schleierufer 1

Further information:
www.malc.org.de

Jointly organized by: Faculty of Electrical Engineering and Information Technology
Faculty of Mathematics
Max Planck Institute Magdeburg
Center for Dynamic Systems: Biosystems Engineering

Logos at the bottom: Otto von Guericke University Magdeburg, EIT (European Institute of Technology), Faculty of Electrical Engineering and Information Technology, CDS (Center for Dynamic Systems), MATH (Faculty of Mathematics), and Max Planck Institute Magdeburg.
